FOLSOM SECTOR

ORDER NO. 690-017-2019

May 1, 2019

Road Closure – North Granite Bay

Effective Wednesday, May 1, 2019, and continuing whenever the Folsom Lake elevation is at 450' or above, the Oak Point one-way road will be closed to vehicular traffic at the intersection of the Main Granite Bay road.

Whenever lake elevation is at or above 450', the Main Granite Bay road will be closed to vehicular traffic from just north of the Horse Assembly Area to Beek's Bight, including all portions of Oak Beach and Doton's Point, on all Saturdays, Sundays and holidays.

This closure is intended to enhance public safety, including reduction of law enforcement incidents, reduce fire danger, and to protect park resources from damage related to intensive vehicular use where little to no parking facilities exist.

The roads will remain open to other uses, such as walking, hiking and bicycling, and will provide enhanced opportunities for those activities.

Exceptions:

1. Employees, officers, contractors, lessees, and permittees of the California Department of Parks and Recreation and of the U.S. Bureau of Reclamation entering the area on official business.
2. Those non-employees accompanied by the above-described officials who may be in the area on official business.

Exceptions to this order may only be granted in writing by the Gold Fields District Superintendent at 7755 Folsom-Auburn Road, Folsom, CA 95630.

Nothing herein shall be construed in derogation of other provisions of law.
